Floral Displays

Flower Bench

October 9th, 2015
(Post Hurricane Joaquin!)

Tucker Murphy gave an interesting talk on the railway trail and bridges. The Garden Club presented Mr. Murphy with a cheque for \$2,500 towards this worthwhile project.

FLORAL DISPLAYS

Left: "Euphoric" which featured the IKEA floor lamp "Astor" as the base. Plant material given was strelitzia flowers and foliage, croton, Chinese fan palm and pigeon berry (Duranta). Other components included bamboo sticks painted black, 1-1/2 yards of teak mesh fabric, orange and blue wire ties, bright blue flat wire and orange middollino sticks. Right: Novice Class "Envious" Foliage and flowers included olive, thistle, Alstromeria, mini carnations, green sisal ribbon and variegated mini aspidistra leaves.

Imposed or Challenge class.

"Passionate". Shelf space 30" x 30" ...all components and flowers were a surprise to the participants.
